

To the Editors,

I was surfing [the internet] a bit and found that the Id [Graduate Faculty Psychology Bulletin] is online. I took a look at the current issue [Vol. 2, No. 1] - amazing - it really has changed.

We had cartoons on Xerox paper - and it wasn't that long ago - it says 2000 on my Ph.D.

Best,

Dr. Louis Rothschild¹

1: Dr. Rothschild received his Ph.D. from the New School University in 2000, and is a former president of the University's Psych. Society. Dr. Rothschild is affiliated with Brown University and Rhode Island Hospital.
